

## Sewing Shop Scramble

After Addy and her mother escaped from slavery, Momma got a job as a seamstress in Mrs. Ford's dress shop. Addy helped by making deliveries after school. She worked hard and waited for the day her father, brother, and sister would join them in Philadelphia. Unscramble the letters that spell the items in Mrs. Ford's shop. Then unscramble the letters that appear in the circles to reveal Momma's message to Addy.
